

## Garden Outreach Program

Invite the Atlanta Botanical Garden into your classroom for engaging programs that will amaze and astound students of all ages. Each program includes interactions with living things as well as hands on-activities.

### **Rainforest Frogs**

#### **Pre K – 5<sup>th</sup> Grade**

Have you heard of tadpoles that live in plants? Did you know there are outrageous colored frogs with unique patterns? Students will journey to the rainforest without leaving the classroom to learn more about frogs (especially Poison Dart Frogs), their adaptations and their special relationship with Bromeliads.

### **Sneaky and Sticky Plants**

#### **Pre K – 5<sup>th</sup> Grade**

Investigate the diverse and unique ways plants capture and digest insects. Students will feel sticky sundews, watch a Venus flytrap close and discover what some Pitcher Plants have been “eating”.

- Each program is 45 minutes long and must be scheduled between 9:00 am and 1:00 p.m.
- Maximum group size: 25
- Program sites must be within a 25 mile radius of the Atlanta Botanical Garden
- A teacher or teacher assistant must be present during each presentation
- Reservations and payment must be made 3 weeks in advance
- Use the enclosed registration form. We do not take reservations by phone or over the internet. A confirmation will be mailed to you.
- Include a \$50 non-refundable deposit. This deposit will be applied to the cost of your session(s). It is non-refundable in the event of cancellation. If you are able to reschedule your presentation (space permitting), your deposit will be applied to the date of your rescheduled visit.

#### **Costs**
