### Photography Policy

Thank you for choosing the Atlanta Botanical Garden for your photography session! We are pleased to have you as our guest and look forward to working with you.

All photography sessions, personal or promotional, must reserve a date and time. There is a fee for photography sessions or promotional photo shoots that are not part of an event taking place at the Garden. This includes engagement photos, wedding/bridal photos, and family portraits. Amateur photographers and garden guests may shoot pictures throughout the Garden as long as they are for their personal use and enjoyment, rather than for commercial or gallery use.

Parking in the Garden's SAGE parking facility is fee based and all vehicles arriving for the shoot will be required to pay the published parking rate of \$0.75 for the first 30 minutes and \$1.00 for each additional 30 minutes they are here.

**No unauthorized photography sessions are allowed at anytime on the Atlanta Botanical Garden, including the property between the Garden entrance at Piedmont Avenue and the SAGE Parking Facility.**

### Personal Photo Shoot

The fee for a personal photo shoot is \$150.00 for up to 10 persons, including the photographer and their assistants. Should the group be larger than 10, the fee is \$15/person. The rental fee is for a maximum of two hours. If more time is required, each additional hour can be purchased at a charge of \$25/hr. Because a photo shoot is a scheduled just like an event, a Garden Membership does not entitle the party, or part thereof, to waive this fee.

**Photography sessions are not scheduled after hours, on days the Garden is closed, or during specific private events. Please call for availability.**

Fees directly support the mission of the Garden – to develop and maintain plant collections for display, education, research, conservation and enjoyment.

Please know that there are no bridal ready rooms, only public restroom spaces for dressing and preparation.

Due to the demand for photography at the Garden, photo shoots scheduled more than 30 days out from the actual date of the shoot may place the date/time on hold for up to 30 days. The photo shoot will need to be confirmed with payment in full before the end of the 30 days or the hold will expire. Photo shoots scheduled less than 30 days out must be confirmed with payment in full no less than 48 hours prior to the shoot.

**Contact the Special Events Department at 404-591-1585 to schedule a photo shoot.**

For a promotional photo shoot (for inclusion in a book, magazine, catalog, commercial, model portfolio, etc.) please contact the Marketing Department at 404-591-1550 to schedule and to determine if the shoot will be paid for in cash or in exchange for photo credit or editorial coverage.

### **Use of Tripods, Large Photography Equipment, etc.**

Tripods and other large equipment may be used throughout the Garden with the exception of the Conservatory (due to the narrow pathways). Promotional photo shoots may shoot from a tripod in the Conservatory when accompanied by someone from the Marketing Department. The Garden is not responsible for any lost, stolen or damaged equipment.
